

## No. 9199 Afzelia

Celebrating the beauty of nature, capturing the essence of its diverse forms.

The Afzelia tree transforms into fabric with its sophisticated motifs and unique charm. Aligned with landscape, the pattern echoes nature's art and composes the pure beauty into every thread. The textile embraces a soft and gentle touch, while subtle haku accents hidden within the fabric infuse with refined elegance. With HOSOO's delicate weaving technique and interpretation, every life's whisper is woven into each thread, evoking woodland wonder in each fabric.

Created in collaboration with multifaceted studio AMDL CIRCLE, founded by Michele de Lucchi, the collection is available in five chromatic variations reminiscent of warm earthy tones embracing the timeless harmony of nature.
